We Desire to...

...establish and maintain a fun, and positive place for children to experience direction and care from nurturing adults.

...provide a spiritual emphasis which teaches the child about God, Jesus Christ and His love for us.

...nurture emotional, intellectual and physical growth through guiding, instructing in basic skills and promoting physical fitness.

Let us be a part of your child's development. Call today to inquire about how your child can participate in a fun filled day at Northwest Bible Church Mother's Day Out.
