

NAAMAN'S SERVANTS

2 KINGS 5:15

Naaman said, "I know that there is no God in all the earth but in Israel."

**God speaks through seemingly insignificant people
in seemingly insignificant ways.**

RENEWAL: Where are you experiencing desperate dependence on Jesus? When are you most likely to believe you are insignificant? Why is it hard for us to believe God can use us in ways that are significant? What is your definition of significant? How does it align or differ from God's definition? Do you believe you matter? What would you need to live with the daily awareness that you are enough? How can we pray for you?
